

Emerging Female Leaders Share Group

2023 REGISTRATION FORM

Join a small group of high potential female associates from across the grocery industry. Women Grocers of America (WGA) Emerging Female Leaders (EFL) share group is intended for women seeking to grow their professional network and accelerate their professional development.

Share group objectives:

- Establish new connections and relationships with women in the industry
- Grow professional network through connections with EFL and EXFL (Executive Female Leaders) share group members
- Learn new skills to support professional development (presentation and communication skills, management tactics, etc.)
- Increase confidence and acquire tools to advance professionally
- Learn more about the overall grocery industry, including consumer and market trends

Share group members will meet in person 2 times per year (late spring and fall) as well as participate in numerous virtual touchpoints. A buddy system between EFL and EXFL will be established. Participants need to attend virtual and in-person events.

Meeting Fee:

\$1,350 per meeting

Includes most meals and meeting materials.

Travel and incidentals to be covered by share group member.

EFL Share Group Membership limited to:
