

2024 FUNDRAISER

Sponsorship Prospectus

The NGA Foundation is the 501(c)(3) nonprofit arm of the National Grocers Association. It is dedicated to supporting the future of independent community grocers in their recruitment, retention, and training efforts. As well as offering technical assistance to retailers on government programs. We accomplish this mission through five pillars of work:

DIVERSITY & INCLUSION

Elevating and developing women and diverse individuals aids in employee retention and ensures retailers can best serve their communities.

INDUSTRY PROMOTION

Communicating the importance of the independent grocery industry to support recruitment and retention ensures grocers have access to qualified candidates to strengthen their teams.

STUDENT PROGRAMS

Providing opportunities for students to develop solutions to real-world problems and connect with industry leaders benefits the industry by providing creative insight from the next generation. We also ease the financial burdens for students pursuing careers in the food retail industry through scholarships.

LEADERSHIP DEVELOPMENT

Developing talented and thoughtful leaders and equipping them with the tools to navigate a dynamic and changing industry is key to the success of an independent grocer's business.

TECHNICAL ASSISTANCE

Grocers have access to hands-on guidance to challenging issues in the marketplace today including nutrition incentives, healthy benefit cards, and SNAP Online.

The annual NGA Foundation Fundraiser held at the **Executive Conference & Public Policy Summit** is the key fundraising event for NGA Foundation programs each year. If you wish to support vital programs like the ones listed above, please consider sponsoring this fundraiser. As a 501(c)(3) organization, sponsorships are tax deductible up to the amount allowable by law.
