

IMPORTANT UPDATE REGARDING SNAP BENEFITS FROM THE NATIONAL GROCERS ASSOCIATION

Due to the federal government shutdown SNAP benefits for the month of November have not been funded and therefore will not be available on SNAP cards. SNAP participants with existing balances ARE able to use those funds. Your local grocers are doing all they can to support their community during this difficult time, including ongoing support for our local food banks.

The National Grocers Association, the voice of the independent supermarket industry, continues to demand that Congress resolve the government shutdown and immediately fund the SNAP and WIC programs so those in need are able to take care of their families.

**THANK YOU FOR YOUR PATIENCE AND
UNDERSTANDING DURING THIS VERY
DIFFICULT SITUATION.**
