

# INDEPENDENT SUPERMARKETS IMPACT AMERICA

Independent retail supermarkets and the wholesalers that supply them play a vital role in the communities they serve and are a major contributor to the economy of the **United States and Louisiana**. Defined as a privately held, or family-owned entrepreneurial business, independent supermarket operators run businesses of all formats and sizes, and are dedicated to their customers, associates and communities.

## STORES AND SALES

In Louisiana, the independent supermarket channel includes **381** stores and generates **\$1.66 billion** in annual sales.

## JOBS AND WAGES

In Louisiana, independent supermarket operators are responsible for creating **16,260** stable, reliable jobs and **\$440.88 million** in wages paid.

## TAXES

In Louisiana, independent supermarkets and the wholesalers that serve them are a major source of tax revenue for federal, state and local governments. Together the independent channel and their employees generate about **\$186.18 million** in state and local tax and **\$154.27 million** in federal taxes. The combined total in the State of Louisiana is **\$340.45 million**.

## NATIONAL IMPACT

The economic impact of the independent supermarket industry reaches all 50 states and the District of Columbia. Nationally there are **21,000** independently owned supermarkets that generate **\$131 billion** in annual sales, representing nearly **25%** of the total domestic market.
